

# JORGENSEN MAINTENANCE SOLUTIONS

# JORGENSEN MAINTENANCE

Effective customised maintenance

## BENEFIT FROM OUR KNOWLEDGE AND EXPERIENCE

- Optimise your Overall Equipment Efficiency
- Avoid unscheduled downtime
- Extend equipment lifetime
- Original spare parts

Innovative diagnostics using Augmented Reality

## MAINTENANCE PHILOSOPHY

### SERVICE LEVEL AGREEMENTS

- Combined predictive and preventive maintenance
- Data input analysis
- Service based on operating hours
- Peer-to-peer training
- Fully customised

### NON-AGREEMENT SERVICES

- Preventive and corrective maintenance
- Highly flexible and customised
- Reporting, analysis and professional feedback
- Line state reviews

## MAINTENANCE IN PRACTICE

### SIMPLE, FLEXIBLE AND RELIABLE

We offer inspection visits to ensure low cost and optimised maintenance frequency. Resumed operation guaranteed.

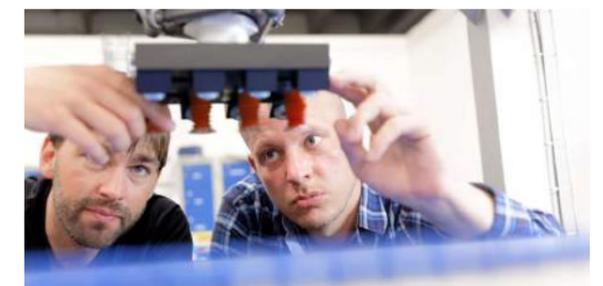

### KNOW-HOW CONSULTANCY

We can assist with recommendations and the latest updates in technology, modifications, upgrades etc.
